Attendance

Our average attendance figure, for the week beginning 6th May, was 96%. Congratulations to our Year 3 class who achieved 100% attendance this week, with Year 6 close behind them on 99.3% Super stars!

Class Attendance Awards

1st	Year 3	100%
2nd	Year 6	99.3%
3rd	Year 5	97.9%

Do you find your child's behaviour puzzling or frustrating on occasions?

Angela Pinchin, Pupil Wellbeing Lead and Jacqueline Clark, Family Liaison Support, at Bourne Westfield Primary Academy, are planning another course titled '*Understanding Your Child*'. **All** parents may benefit from this reflective course that covers relationships, managing emotions, reducing conflict, sleep, eating, anxiety, anger tantrums - and of course, boundary battles!

It is a relaxed and accepting environment, suitable for anyone involved with children aged 0 - 18 and everyone is welcome. It will run on a Thursday evening, at Bourne Westfield, from 6.00 - 8.00pm for 7 weeks, commencing 6th June 2024. The cost is £21 (concessions can be discussed with Mrs Clark) and this is payable prior to the course, or £3 per week, whichever you feel would suit you.

Please let Bourne Westfield know if you are interested as there are limited spaces. If you would like further details, please contact Angela Pinchin, by email angela.pinchin@bw.keystonemat.org. Parents attending past courses thoroughly recommend it!

Sun Cream

As we are finally experiencing hotter, sunnier weather, can we please remind parents that a long lasting/once a day suncream should be applied BEFORE school. Staff are not permitted to apply suncream for children and children should not bring cream in to apply themselves. Sunhats are also required for the sunnier days. Thank you.

Year 1

Today in science, year one first went to check on the vegetables that we planted 2 weeks ago to see if they had started growing and we also watered them. We then started an experiment. We planted four different pots of cress seeds: one which will have sunlight and water, one which will just have sunlight, one which will be kept in the dark and one which will be kept in the dark with water. The children made their predictions as to which pot will grow best. We will update you with the results soon!

Year 2

Many thanks to the Elsea Park Co-op for the wonderful donation of cress seeds, pots, compost and even a bucket and trowels. Year 2 are studying how plants grow in science this term and were excited to get them planted. Each child now has their own pot of cress seeds that they are caring for and observing as they grow.

Year 5

This week year 5 have been very enthusiastic towards their learning in English. They have been preparing for a debate linking to their geography topic: the resourceful rainforests. Each child was given a different role and had to argue for or against deforestation. The children worked extremely hard with this, whilst having some fantastic questions and answers during their time in the hot seat. They even got to sit in Mr Moutrey's chair! Wonderful work year 5, well done!

Shakespeare for Schools

We received our Shakespeare photos this week and are thrilled with the results. It has been wonderful to re-live the evening by looking through photos that captured the evening's performance so well. Please see just a small selection of the photos below to give you a taster of the fun, fantastic evening we had. Well done to all our children on their amazing performance once again! We are so proud of everything you achieved! 😊

PTFA

Father's Day artwork will be coming home with your child today. Please look out for this in their book bags. Please see the price list at the end of this newsletter. Artwork to be returned to school, with the correct cash amount for your purchase, in a named envelope, by **Wednesday 15th May**. Thank you.
