## Year 1

In R.E this term, we are thinking about the idea of creation. To begin our topic, the children created an item using paper, card and tissue paper. The children created some amazing items and had some very imaginative ideas. After they had finished, they thought about how making their creation had made them feel. Many of them said they were proud of what they had created.

### School Photographs

The photographer will be in school on **Friday 20th September** to take individual and sibling photos. Any parents who would like their pre-school child to be included in a family group, should come to the hall at 8.30am.

**Year 4 and 6 - PE will take place on this day but we ask that children come in their school uniform and bring their trainers with them to change into for their PE session.**
