## Sports Day

Wahoo...the weather actually allowed us to complete sports day! Thank you to everyone for coming today. The children all showed great teamwork, trying their best for their house teams and supporting each other. We hope you all enjoyed the day.

A special thank you to Mrs Sewell for planning and organising such a successful day! Thank you to the staff for helping to sort the resources and for being so supportive of our children during and after their races.

Thank you to our Year 6 house captains and our Sports Ambassadors for all their help and to the PTFA for stepping in to man the relay and cross-country posts and for providing refreshments and ice creams.

Congratulations to all our teams for showing such spirit and determination and a super well done to our **County Crops** team for winning this year's Sports Day trophy.

Well done to our House Captains today - you were all so helpful and supportive to both staff and children, we couldn't have done it without you. Thank you 😊

#### **Year 6 - Forest School - 'Mud, Glorious Mud'**

To complement their studies of the Anglo-Saxons in History lessons, Year 6 have continued the theme in their Forest School activities. This week they had great fun creating miniature round houses using hazel uprights and willow whips to follow the wattle method. Then they added a mud-based daub to great effect and to great enjoyment!

## Careers Week 2024

We are looking for people to talk to our children about their interesting & inspiring careers for our career's week commencing 8th July.

If you, or someone you know, could offer an hour of your time in person or via Teams to present to one of our classes and/or do a workshop then please contact the school office via [enquiries@th.keystonemat.org](mailto:enquiries@th.keystonemat.org) or call 01778 423311.

Thank you for your support.

## Year 4

Just a reminder that the £13.50 contribution for the Tudor Day is due by Wednesday 19<sup>th</sup> June.

## YOUR FIRE STATION NEEDS YOU!

Your local fire station is looking for people interested in becoming On-Call Firefighters. The role is not full time, therefore you can make yourself available to respond to incidents in and around your primary employment and family commitments. Some of our On-Call Firefighters have an agreement with their employers to respond to emergency calls whilst at work, others make themselves available whilst their children are at school, some give cover whilst working from home and others manage full time employment alongside their fire service commitment. Once trained an On-Call Firefighter will be issued with an alerter which will activate when you are required to respond to a 999 call. All station personnel will come together one evening a week to complete 2.5 hours of training to maintain and develop their skills.

You will work as a team using the latest equipment and life-saving techniques, to attend property fires, road traffic collisions, chemical spills, animal rescues, floods and many other incidents. The role is exciting, challenging and rewarding and we encourage people to apply from all walks of life. On-Call Firefighters receive payment for being on call, completing training and attending incidents. Due to the nature of the job, applicants must have a reasonable fitness level, be aged 18 or over and live or work within a short distance of your local fire station. If you think being an On Call Fire Fighter might be for you there is lots of information on our website: [www.lincolnshire.gov.uk/lfr](http://www.lincolnshire.gov.uk/lfr) or you can call our recruitment line for more information: 0800 3580 204.

You are very welcome to pop down to the station on a drill night for an informal chat with the crew if you wish to find out more.

**A LITTLE SOMETHING TO THINK ABOUT**

*"All kids need is a little help, a little hope, and someone who believes in them."*

**EVENT OF THE MONTH**

Bourn2Shines breakfast club at the Sugar Mill is on twice a month. We are extremely lucky to have the Sugar Mill to ourselves before it opens. This ensures we can provide a safe, private and secure environment for people to come along and talk.

The breakfast club works very similar to a coffee morning. Your drink is **FREE OF CHARGE** and if you wish to join us for breakfast, you are very welcome to do so, this would be a cost to yourself.

We understand that anxiety is very real and in some cases can be completely crippling. This can stop people from doing what they would love to do. We all understand that having a child with additional needs or disability is extremely challenging and, in some cases, isolating. Some of us have lived it too. The last thing we want is for you to feel uncomfortable, so if that sounds like you then please reach out to us. Send us a message on our Facebook page or to the email at the top of the newsletter and we will get back to you. We can offer to meet up beforehand to chat so that you at least know someone there or we can meet you outside in the car park of the Sugar Mill to walk in with you. Please remember, you are not alone.

**PRIDE MONTH**

June sees us enter pride month. I am sure you will see many rainbow flags being displayed proudly as the month goes on.

Research shows that gender and sexual differences are up to six times more common in autistic young people than in their neurotypical peers  
source: the proud trust.org

Did you know that around 15% of autistic adults identified as trans or non-binary, compared to less than 5% of the general population

**How can you help your young person?**

**Make information accessible**

Ongoing surveys found SEN people want information about sexual orientation & gender identity more than neurotypical people do

**Be open**

It is important to ensure your young person knows they can talk to you whether or not they feel ready. Making sure you are open to the ever-changing world our young ones are living in
