Award Nomination

We are delighted to announce that Mrs Phillips, our EYFS teacher, who joined us in January 2021, has been selected as a FINALIST within the **Inspirational Primary School Teacher of the Year** category of the Spalding & Lincolnshire Education Awards 2021.

The awards ceremony will take place at Springfields Events & Conference Centre on Thursday 16th September. We wish Mrs Phillips every success on the night and are incredibly proud of her achievements since joining Thurlby Primary Academy.

Sports Day - Friday 25th June

Due to the Prime Minister's announcement on Monday, we have unfortunately had to make the decision to not have parents attend our Sports Day this year. Due to the nature of the Lawrance Park field, as a school, we are unable to regulate and monitor parental numbers, as other schools can locally. We therefore can't guarantee that we are adhering to government guidelines, in regards to the maximum number of 30.

The children will be taking part in races within their bubbles, at various times during the school day. The children will still have a fun, competitive experience which I am sure they will enjoy after not being able to participate in any sporting events over the past fifteen months.

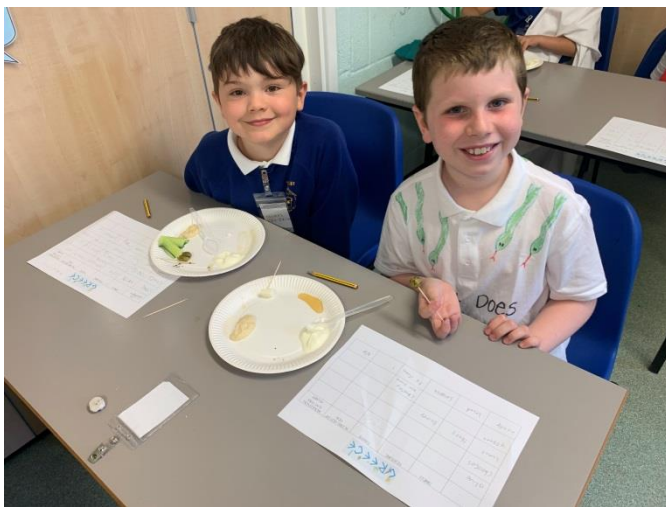

All children should come to school in their PE kit on Sports Day. If it rains on this day then the alternative day will be Tuesday 29th June 2021.

I know you will find this disappointing, but I'm sure you will appreciate the difficult situation we face as a school. Thank you for your understanding in this matter, Mrs Joyce.

Year 3 Ancient Greek Day

On Thursday, our children in Year 3 participated in an Ancient Greek day. They children were invited to come in costume and we had some outstanding Greek Gods and Goddesses. The children had a fun-filled morning, taking part in a carousel of activities that involved Olympic games, the study of Greek vases with their own designs and some Greek food tasting. The children had an introduction to democracy and we had our own vote to decide party leaders who then impressed us with their manifesto speeches.

In the afternoon, we continued with our DT work on Greek sandals, looking at the construction of a sandal in readiness for producing our own design. The fantastic day was finished off by playing some traditional Greek games. We hope that the children had a wonderful time immersing themselves in some Greek culture.

Year 4's Tudor Herb Garden

The children in Year 4 have brought in sacking, wooden spoons and cuttings from herbs to create their little Tudor garden. They were interested to find out about the healing powers of the herbs; for instance, rosemary is said to ease headaches and fennel to relieve hiccups!

The garden has been decorated with painted stones showing the Tudor Rose. Year 4 will be able to choose a herb or two to add flavour to their Tudor cooking over the coming weeks.
