- Reception** - Kade and Isla
- Year 1** - Rosie and Max
- Year 2** - All of Year 2
- Year 3** - Isla and Cohen
- Year 4** - Emmie and Harper
- Year 5** - Connor and Johnny
- Year 6** - Dante and Ella

Attendance

Our average attendance figure, for the week beginning 11th March, was 95.1%.

Class Attendance Awards

1st	Year 2	98.8%
2nd	Reception	98.3%
3rd	Year 4	95.9%

Year 1 - Forest School

In forest school this week, year one focused on the traditional tale Goldilocks and The Three Bears. They began by finding three items one small, one medium and one big for the three bears. They then split off into groups to create a bed or a chair for one of the three bears. The children had such great imagination, we even had one bed with a security camera outside! They finished off by creating some forest school porridge.

Year 2

On Thursday, Year 2 had an exciting trip to Delaine Buses depot and museum as part of our history topic on local transport. We walked from school to the bus stop and boarded a double decker bus which took us to their depot where we were met by Mr Delaine, the great-grandson of the founder of Delaine Buses. After an interesting talk about how the company started and the developments in bus design, we had a tour of the museum and spotted some really old buses. In the depot, we saw where the buses fill up with fuel and even got to see one bus have its brakes tested. Our final treat, before returning to school, was a ride through the bus wash. The children really impressed all the adults with their super listening, fantastic questions and wonderful behaviour throughout.

Year 3

This afternoon, Year 3 were chosen to go on a special mission through the Ancient Egyptian underworld, learning about hieroglyphs and mummification (through our Now Press Play headphones). They returned to the classroom to further develop their understanding of the mummification process.

Year 4 - Wildlife Photographer Visit

This week, Year 4 enjoyed a visit from local photographer and Thurlby parent, Mr Daniels. In anticipation of Mr Daniel's visit, the children discussed and wrote many thoughtful questions to discover more about wildlife photography and barn owls. Mr Daniels shared some of his wonderful photographs of local wildlife (foxes, badgers, kingfishers and barn owls) and explained how he had been able to capture such amazing images. The class were also able to see pictures which Mr Daniels had taken in South Africa: squabbling hippos, a mud-covered lion and a beautiful portrait of a mountain gorilla. At the end of the session, the children voted for their favourite barn owl image which is to be the inspiration for their poetry writing over the coming weeks.

Thank you, Mr Daniels, for providing such an informative and inspirational experience for our Year 4 children.

Comic Relief

Thank you to our children and families for supporting the Comic Relief charity today. The children have enjoyed telling jokes to their classmates and performing magic tricks.

Class Photographs

Just a reminder that class photographs will be taken on Monday 18th March. Please ensure children wear their school uniform and school shoes on this day. Children can bring their trainers to school in a separate named bag to change into for their PE lesson. Many thanks.

Year 5 Class Assembly 10.10am

Year 6 SATs week

End of Term 5

A Parent's Guide to Cyberbullying

Many young people who are victims of cyberbullying suffer in silence.

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
