Pastoral Therapy Animals

You will remember that on Monday we advised you of pastoral changes in September and our intention to have guinea pigs in school as therapy animals. In the last few weeks of this term, we are having a STEM (Science, Technology, Engineering, and Mathematics) week whereby the children will be involved in working together to design the following:

- Guinea pigs habitat - shelter outside (investigating materials - waterproofing/heat protection)
- Materials suitable for the inside of their housing
- Food types
- How often to clean their houses

We are also planning to have a 'Name the Guinea Pigs' Stall at our Summer Fayre, so please look out for this next weekend.

Tennis Tournament

Eight enthusiastic pupils, from Year 3 and Year 4, enjoyed a wonderful day at the Spalding Tennis Club on Wednesday. The day began with some warm-up games designed to develop their confidence and skills in using a tennis racquet and ball. The children then played individual games with each of their scores contributing to their team's result. As the day progressed, our two teams were winning or drawing in more of their games and were, quite rightly, delighted with their improving skills. All eight children showed excellent effort, perseverance and sportsmanship throughout the day: they were a delight to be with. Well done, Team Thurlby!

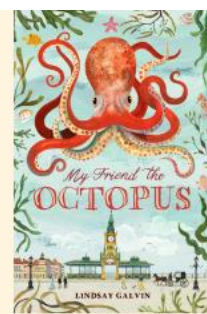

Author of the Week

LINDSAY GALVIN

Shortlisted for the Stockport Children's Book Awards 2022.

Lindsay Galvin is fascinated by the natural world so it's only right that her two children's novels focus is around two wonderful creatures. 'Darwin's Dragons' will see you climbing on board Charles Darwin's 'The Beagle' with lead character Syme Covington whereas 'My Friend the Octopus' requires a trip to the Brighton Sea Life Centre in an exciting Victorian mystery.

With a setting in a historical version of Britain, you won't just learn about the past but feel immersed within it!

If you like Hannah Gold or Emma Carroll, you'll love these books!

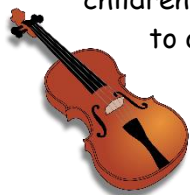

If you are writing, you are already a writer, and don't let anyone tell you otherwise! Read a lot to help your writing, too!

Lindsay Galvin says:

Reminder: Violin Lessons

Mrs Beavis, our Music Lead at Bourne Westfield, has been working hard to secure violin lessons for our children. As a result Mrs Penny Stevens, a local musician, has been in contact with us offering lessons to our children during school time. In the first instance, in order to gauge the level of interest could you please email enquiries@th.keystonemat.org by **Monday 19th June** to advise if this is something your child would like to do. We can then arrange next steps. Thank you.
