Message from our Acting Head of School

This week, we have started to look at future career opportunities in our assemblies, using resources from [First Careers, careers advice school children | First Careers](#).

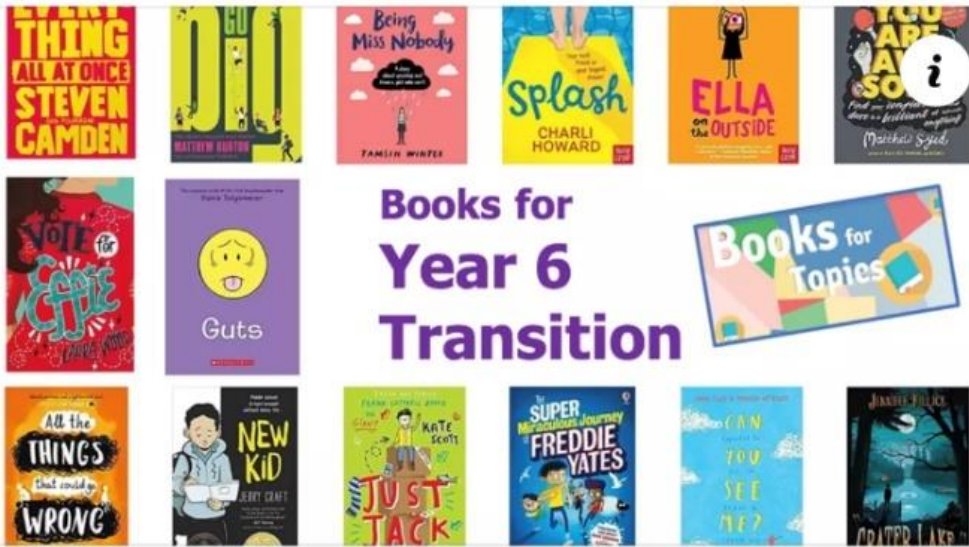

The children have been thinking about what they would like to do and how they will achieve their goal. From meteorologists to teachers, chefs to army officers, it is great that the children have aspirations for their future, with some even wanting to follow in their parent's footsteps. Reception collated a special book of their future hopes, proving that there are several budding authors amongst them.

It would be great for the children to hear from adults about their career- what they do in their work and the qualifications needed. If you feel that you could spare some time to inspire our children at Thurlby about your work, then we would love to hear from you.

Year 6 Transition to Secondary

On this booklist, Books for Topics have picked a selection of recommended books for children in Year 6 preparing for the transition to secondary school.

Year 5

This week in Year 5, we combined our Science work with DT lessons. In groups, children used their knowledge of forces and pulleys to design and make their own pulley system, based on the squashed tomato challenge. Farmers in Nepal struggle to transport their fresh produce from the tops of the mountains to the bottom where the markets are. Year 5 had a challenge: to transport tomatoes from the top of a table to the floor, without touching or squashing the tomatoes!

PTFA

We would look to take this opportunity to extend a massive thank you to our PTFA for all the recent purchases for our school. Our school council put together a wish list of items to improve the outdoor play environment and the PTFA have kindly funded their requests.

The children have thoroughly enjoyed playing with the additional equipment at play and lunch times.

Our wooden chair has been purchased to enable class teachers to have an outdoor story area for their children.

Anyone for Tennis...?

Following improvements to the MUGA, the Lawrance Park Committee have invested in new tennis equipment with the purpose of encouraging the local community to take advantage of the newly marked out court.

Please see the details adjacent on how to get involved.

Healthy Snacks

Just a polite reminder to parents that children should be bringing healthy snacks to eat at play times such as fruit, vegetables or a healthy cereal bar. Please note chocolate covered snack bars etc. are not considered healthy options for snacks. Please also remember we are a nut free school so under NO circumstances should snacks contain nuts.

Thank you for your co-operation and understanding in this matter.

Deaf Awareness Week

Following the information detailed in All Things Thurlby - Edition 28 we are delighted to now be able to give you the link for the video of our children performing sign language to 'Sing' by Gary Below. Please see the link below:
