Arts Week - Family Learning Session

As part of Arts Week, families enjoyed taking part in a Family Learning session based on the World Cup. Children and their parents worked together to make flags, origami football shirts, medals and headwear to support a country of their choice. Throughout the session, families developed a variety of artistic and practical skills while sharing ideas and supporting one another. The activities helped to deepen everyone's understanding of the benefits of arts and crafts, including creativity, communication and problem-solving. It was wonderful to see families having great fun together while producing imaginative football-inspired creations.

¡Qué día tan fabuloso!

Our Spanish Day was a truly *fabulosa* celebration, with a real *ambiente* of excitement and enthusiasm around the school from start to finish. The children showed a genuine love for the Spanish language and culture, embracing every opportunity to learn and have fun.

There were so many exciting activities throughout the day, from creating colourful Spanish arts and crafts to dancing the *flamenco* with great energy and passion. The children enjoyed learning to sing *La Bamba*, tasting delicious Spanish foods and discovering more about the traditions of Spain. It was wonderful to see everyone so fully immersed in the language and culture.

The children looked *fantástico* in their outfits, helping to bring a little piece of Spain to our school. It was a day filled with learning, laughter and lots of *alegría*.

A huge *gracias* to all the staff whose hard work and dedication helped make the day such a success. *¡Olé!* What a wonderful way to celebrate Spanish language and culture together.

We would like to say a huge, special thank you to Miss Baldwin for organising such a wonderful day. The children and staff thoroughly enjoyed it!

Year 4 - Arts Week

Year 4 have had a brilliant time taking part in Arts Week. They have worked in small teams to create art work on tiles in the style of some Portuguese architecture. This is called Azulejos meaning 'small polished stone' and can be found on lots of buildings in Portugal and Spain.

Year 2 - Forest School

Year 2 have had a fantastic three weeks at Forest School. We identified insects, trees and plants during a nature hunt and created some amazing clay animals using clay and natural resources. We worked together in teams and have used our imagination and creativity to build and explore. This week, we learned about fire safety and used our senses to investigate the Forest School area. Thank you, Miss Titman, for a brilliant three weeks at Forest School - we have loved every minute!

Year 3 and 4 - TTRS Champ!

Congratulations go to Frankie and Joshua for being our champions on Times Tables Rock Stars this week. Well done on your awards! 😊

**Don't
Forget!**

IMPORTANT - HEALTH AND SAFETY:

As the weather is getting much warmer, please ensure your child comes to school prepared for the heat. We ask that all children bring a named water bottle and ensure they have a sunhat or cap to wear while outdoors - we had many children without either of these items today and we do not have enough spares for everyone. Please also apply sunscreen before school every day - even when it is overcast in a morning.

Sports Day - Tuesday 23rd June

As advised by MCAS earlier today, our Sports Day will be taking place on Tuesday 23rd June:

- 10.00am start for Reception and KS1
- 1:30pm for KS2
- A presentation to the winning house team will take place with KS1 and KS2 in attendance, at approximately 2:45pm

Parents are very welcome to attend but we do ask that all spectators stay inside the cordoned area and do not cross the lanes once the races have started. This includes not walking across to the children to talk to them during the event.

Please note that all children must be collected from their usual gate when the KS2 events have finished and not taken directly from the field.

Refreshments will be available for you to purchase from the PTFA at a cost of 50p/£1 each. The PTFA will also be selling ice creams after school on this day.

As the weather is forecast to be extremely hot on Tuesday, please ensure that your child has a sun hat and a drinks bottle with them and that sun cream has been applied before they come to school.

If the weather is as hot as it is predicted to be, KS2 will not be completing the cross country this year. Running, at length, would be dangerous, for the children, in such hot conditions and we would not want anyone to fall ill due to overexertion in the heat.
