### Attendance

Our average attendance figure, for the week beginning 15<sup>th</sup> April, was 97%. Congratulations to our Year 1 class who achieved a fantastic 100% attendance this week, with Year 3 closely behind on 99.5%. Super stars!

### Class Attendance Awards

1st	Year 1	100%
2nd	Year 3	99.5%
3rd	Year 6	98.2%

### Reception - Forest School

Reception Class enjoyed their first session of forest school. They started by learning the rules of forest school. One rule was how to move sticks, they had to use their arms to measure the length of a stick, if it was longer than their arm then they had to drag it. The children enjoyed lots of activities such as; spotting signs of spring, rolling down the hill and using a peg as a beak to collect objects to build their own nest.

## Year 2

Year 2 enjoyed a performance by one of our pupils today. Nancy has only been learning since September and was very brave, playing a duet with her teacher, Penny. The children enjoyed listening and thought the music sounded like two people having a conversation.

## Year 4 Artwork

Year 4 have been learning about tone in their art lessons. They experimented with different mediums and techniques to create an effective tonal range in their drawings. The class showed excellent concentration when they were challenged to apply their learning to a final piece of artwork. Super work, Year 4.

### PTFA - Bag2school

Thank you to all the donations received for the PTFA Bag2School campaign this week. We were able to donate 180kg of items, thanks to the generosity and support of our families. This will now be converted into funds for our school. Hopefully we will receive the total amount raised soon.
