Dear Parents

Congratulations

Thurlby Stars Certificate Winners

We would like to congratulate our Thurlby Stars for demonstrating one of our Thurlby Values this week. Our winners are:

- Reception** - Pippa and Jimmy
- Year 1** - Eli and Iris
- Year 2** - Douglas and Ella
- Year 3** - All of Year 3
- Year 4** - Aaron and Leo
- Year 5** - Maddie and Freya
- Year 6** - Ava and Martha

Attendance

Our average attendance figure, for the week beginning 15th January, was 97.8%. Our attendance has been much improved this week, fingers crossed some of the nasty winter bugs are on their way out! Congratulations to our Year 2 children who achieved an amazing 100% attendance this week. Super stars!

Class Attendance Awards

1st	Year 2	100%
2nd	Year 5	99.6%
3rd	Year 1	99.2%

A New Year Message from our Eco Warriors:

How To Have An Eco-Friendly 2024

- ✓ Reduce wasting plastic - can you upcycle it?
- ✓ Plant a tree to provide animals with a safe habitat.
- ✓ Use less electricity [it's better for the planet].

*In the New Year, consider buying solar panels as this will reduce air pollution.
Thank you, from all the Eco- Warriors.*

Let's help our planet in 2024.

Year 2

This term, Year 2 are creating their own salads and today they did their own research on salads that can be bought from shops. They thought about the appearance, texture and taste of the different salads and some of the children were incredibly brave trying foods that they have never eaten before. Carrot salad was voted the overall favourite and everyone is looking forward to creating their own recipes.

Year 3 Assembly

Congratulations to our Year 3 class who put on a fantastic assembly for their parents and the school on Thursday. We learnt lots of information about the Stone Age and we were treated to a fantastic Stone Age rap! Well done to Mrs Wells for all her hard work in putting this together. We hope our parents enjoyed it as much as we did! 😊

Hot School Meals - Term 4

The weekly menus for next term are now available on the Taylor Shaw website, so you can order well in advance. A copy of the menu and upcoming Theme Days has been sent out by Parentmail today and added to the school website Link below:

[Hot School Meals | Thurlby Primary School](#)

The deadline for ordering meals for the first week back after half term is **Tuesday 6th February**. The kitchen will not be able to accommodate for any unordered meals.

Calling all musicians

Does your child play a musical instrument would be keen to be involved in a new music group for young musicians?

Bourne Westfield Primary Academy is hosting a new music centre in partnership with Lincolnshire Music Service. The group is held on Wednesdays between 4-5pm in the music room and is open to all primary aged children in KS2 in the Bourne area. Any child who plays a musical instrument is welcome to join at whatever stage of their experience. Come along and join the fun!

Enquiries should be sent to chris.rogers@lincolnshire.gov.uk

Junior Online Safety Officers (JOSOs)

After receiving training from the Lincolnshire Safeguarding Children Board (LSCB), our recently created Junior Online Safety Officers (JOSO) are leading 'missions' on how to stay safe online, assisted by Miss Titman.

Our JOSOs are:- Sophia and Jacob from Year 5

They have asked for the posters below to be included in this week's newsletter in case any of our children would like to enter these Lincolnshire County Council run competitions:

AN ALIEN'S GUIDE TO NAVIGATING THE INTERNET

This year's Safer Internet Day theme is all about inspiring change online and we think that one of the areas where we can inspire the greatest change is through our online behaviour. The problem is that positive online behaviour can be a bit alien to a lot of users! We want people to treat others with kindness and respect in the online world as much as we do in the real world.

To help children, young people and adults navigate the digital world, we are asking students to create, film and edit an alien's guide to online behaviour. How should we talk to others, how should we play games, how do we establish positive relationships with friends and family. What's ok to post? What's not safe? What to do if it all goes wrong? And we want it all in video form!

Top 3 entries will receive a prize and be invited to a premiere screening on Safer Internet Day - 6th February 2024 at the Lincoln Museum! So, get the camera's rolling and put together your visual guide to being our best online self and send your links or videos to ssp@lincolnshire.gov.uk - the closing date is the 26th January so don't wait, get started today!

HOW DO YOU SOLVE A PROBLEM LIKE... THE INTERNET!

The internet is an awesome place to learn new skills, play games, watch videos. So how do we make it better? What would you do to make the internet a safer place for people your age?

We are running a competition.. Have you got an idea that will inspire online change for all children and young people in Lincolnshire?

We are seeking the next Greta Thunberg of the Online Space. Make the internet better, where people are kind and encourage each other. Where there is no hate or bullying. How do we make the internet better and change how people your age treat each other online.

You come up with the solution, send us your idea. We will pick the best idea, work with you and your school to bring your plan to life, so we can deliver your idea to ALL schools in Lincolnshire.

Get your ideas in by the 26th January by emailing them to ssp@lincolnshire.gov.uk

Year 6

We have a number of outstanding forms regarding the upcoming SRE workshop. The deadline for this is today. Thank you.
