Year 1 - Visit to St Firmin's Church, Thurlby

Year 1 enjoyed a lovely visit to St Firmin's Church this week. We walked down together and the children were beautifully behaved, walking sensibly and showing excellent manners throughout the journey.

At the church, we were given a tour, where the children learnt about the key features of the building and discovered the names and purposes of different parts of the church. They listened carefully and asked some fantastic questions, showing great curiosity and enthusiasm.

The children also learnt more about the Easter story and enjoyed spending time singing together in the church. It was a wonderful experience for everyone involved and we were incredibly proud of how respectful the children were.

Year 2 trip to Delaine Bus Museum

Year 2 had a fantastic time visiting Bourne Delaine Bus Museum as part of our local history topic. We loved climbing onto both levels of the buses and learning lots of interesting facts about the history of Delaine buses.

It was exciting to explore buses from different time periods and compare how they have changed over the years. The most fascinating bus was the one with the door and stairs at the back, which really captured our curiosity. The highlight of the morning was going through the bus wash—what a fun and memorable experience!
