Reception- Balance Bike Training

Our Reception children had a wonderful couple of days learning new skills on their balance bikes, provided by Outspoken Training. The children participated in multiple activities designed to improve their balance and coordination. They all had a fantastic time!

Year 2 SATs

Everyone has been so impressed with our amazing Year 2s whilst doing 'quizzes' this week. They have all been determined and tried their hardest and we are incredibly proud of every single child. I think the children all agree, that the best bit has been celebrating with a biscuit after each one. Well done Year 2!

Thank you to Miss Bright and Mrs Henson who have taught the children this year and prepared them well for these 'quizzes'. The children were confident at using all of the techniques and strategies that they have learnt to help them. Thank you to all of the additional adults who helped with the administration of the SATs and ensured that the children felt comfortable and calm whilst taking them each morning this week.

Wildlife Club

The Wildlife Club children have shown wonderful enthusiasm and interest in our natural world. They enjoyed planting pumpkin seeds and creating their own legendary, green man in week one.

During week 2, the club members solved a garden bird quiz, using clues to match images of eggs to the correct bird. They also made a simple but fun bird feeder to hang in their own gardens.

Year 3/4 Tennis Tournament

This week we took a team of Year 3/4 children to the Deeping Tennis Club for a tournament with 3 other local schools. We all had a fantastic day in the sun and learnt lots of new tennis skills.

A special mention to Fletcher in Year 4 who was unbeaten for all 7 games! Super star! 😊

Hot School Meals

The weekly menus for next term are now available on the Taylor Shaw meal's website, so you can order well in advance. A copy of the menu and allergen list is on our website and can be found by clicking on the link below:

The deadline for ordering meals for the first week back after half term is **Tuesday 24th May**.

Careers and Arts Week

Thank you to parents who have already been in touch to volunteer their time to share their interesting careers with our children. It's not too late to contact us if you'd like to be a part of the Careers and Arts Week. Thank you so much, we look forward to hearing from you.

THURLBY COMMUNITY PRIMARY ACADEMY

CAREERS AND ARTS WEEK – 'Our Local Area'

Monday 11th July – Friday 15th July 2022

Do you have an interesting career that would inspire our children?

If so, then we need you!

We are looking for people from the local area (e.g. chefs, emergency services, tree surgeons, musicians, etc.) to come and speak about their careers in order to inspire our pupils for their own future.

We are also looking for artists from the local area who would like to come into school to work with our children and support us with your expertise.

We are committed to providing our children with exciting and unique opportunities during our Arts week and making links, within our local community, for the future.

If you would like to come into school, to speak about your career or to help with our arts curriculum, then please email enquiries@thurlby.lincs.sch.uk or call on 01778 423311.

We look forward to hearing from you!
