### Snow Fun

We saw our first flurry of snow this week, which caused great excitement! Our Year 6 children took the opportunity to build this fabulous snowman whilst waiting for school to open on Tuesday. 😊

## Year 5

Year 5 wrapped up warm for Forest School this week. They used clay and natural materials to design and create an alien and the house they lived in. There were lots of different designs and great creativity was used, the ice inspired many of the children to create ice monster aliens and build the ice caves they lived in. After all their hard work, they enjoyed a toasted marshmallow by the fire to warm up.
