Dear Parents

Can you believe that a whole year has flown by already? It has certainly been a busy one full of exciting curriculum topics, events, visitors and trips. It has been brilliant to have been in school for a whole academic year. Our new and improved curriculum has inspired and motivated our children and we have seen pleasing results both in children's work, pupil voice, a love of learning and internal and external data outcomes.

We are proud to inform you that we have performed extremely well in our EYFS, end of key stage 1 and key stage 2 results and are above National average in nearly every core subject. We will provide more information, in the Autumn term, once the official statistical release is given to schools.

We would like to wish Miss Fytche and our year 6s a fond farewell. We will miss you all but know that you will achieve greatness in your new ventures in the future.

Thank you to all staff and parents for your hard work and continued support throughout the year. I wish you all a wonderful summer holiday and I look forward to seeing you all back for another fantastic year in September.

Year 6

It has been a very busy week for our Year 6 children as they have counted down their last days at Thurlby Academy.

A special treat was organised and paid for by Mrs Sewell. Perfect for the hot weather!

Kids Club hired a bouncy castle for their children on Wednesday and very kindly allowed our Year 6s to have a play. Thank you to Mrs Anthony for organising this!

Wednesday night saw the culmination of weeks of hard work by our Year 6 children and staff with the presentation to parents of the production 'Edith's Wartime Scrapbook'.

It was a runaway success with the children excelling themselves in their singing, dancing and acting. All the children should be very proud of themselves!

AMAZING!
