Bag2School Collection - Thursday 20th April

We are pleased to announce that we have organised another clothes & shoe collection with Bag2School, in order to raise funds for the PTFA.

Bag2School is the UK's leading textile recycler and fundraiser working with schools and since its inception in 2001 it has now paid out over £36 million.

As well as raising vitally needed funds for the PTFA it also helps the environment by helping to divert unwanted textiles away from landfill. A recent DEFRA report has shown that textile collection schemes are helping to reduce the volume of textiles discarded as municipal solid waste. However it is a fact that as a nation we still send 350,000 tonnes of textiles to landfill every year.

By getting involved in our **Bag2School** collection, you have an opportunity to sort through your cupboards and wardrobes and donate unwanted textiles in the bag provided - this can include adults' and children's clothes, shoes (tied together please), hats, belts, handbags and soft toys. In addition to raising much needed funds it will also raise awareness amongst the children of the benefits of recycling and reuse.

Donation bags will be sent home soon. If you fill the donation bag and still have more then you can use any other bag to donate your items and don't forget to ask grandparents, friends and neighbours to have a sort out as well!

Please bring your bag (or bags!) just inside Gate 1 outside reception area by 9am and help us have a really good collection.

Many thanks indeed for helping us with this unique fundraising opportunity.

Author of the Week

TOLÁ OKOGWU

Onyeka was the Waterstones Book of the Month in June 2022.

Tolá Okogwu is a British-Nigerian children's author who began her storytelling journey with her self-published picture book series, 'Daddy do my hair'. Tolá is an afro hair care educator and this is a prominent theme in her books, particularly her debut middle grade novel 'Onyeka and the Academy of the Sun'. Set in a futuristic Nigeria, Onyeka quickly discovers that her afro hair has psychokinetic powers - but this is just the beginning of what becomes a thrilling, magical adventure story.

Tola Okogwu says:

If you like B.B Alston or JK Rowling you'll love these books!

I love reading because books have the power to transport you to new and wondrous lands. They allow you to explore different cultures and people and to lose yourself in the most amazing adventures. Books have the power to expand our worlds.
