The Queen's Platinum Jubilee

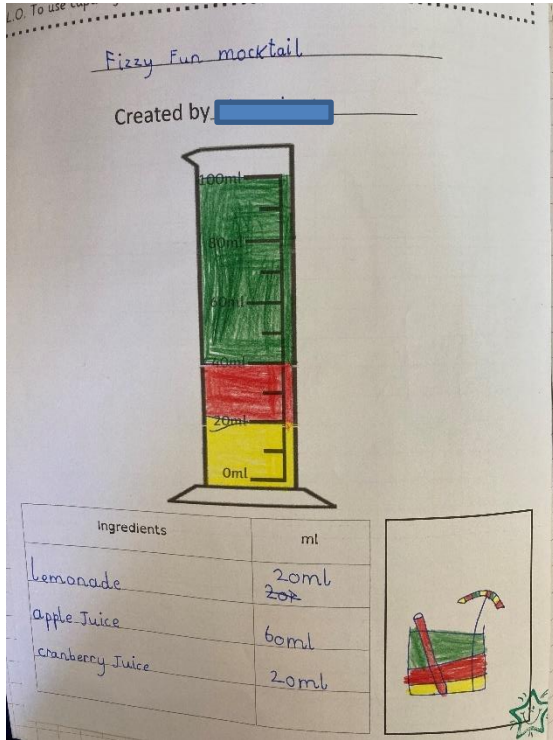

Queen Elizabeth II is the longest reigning monarch in British history and 2022 marks her Platinum Jubilee, celebrating 70 years of service as Queen. From coronations and corgis to jewels and jubilees, here's a list of recommended children's books to help to learn more about Queen Elizabeth II and to use alongside your jubilee celebrations...

Year 2

Year 2 have had great fun creating their own Platinum Jubilee inspired mocktails. They used their number, capacity and volume knowledge to design and make a mocktail that measured exactly 100ml and used measuring cylinders to check their measurements were really accurate. They made their own Jubilee straws and then had fun trying their concoctions in the sunshine.

Year 2 Beans

Year 2 have spent the term growing beans in different conditions. They all grew a bean and identified different parts. The children have now brought home their beans to show you and teach you all about how plants grow and thrive.

Jubilee Dress Down Day

Thank you to all of our children and parents for donating Jubilee coloured gifts for the summer fayre hampers.

Thank you also to our PTFA for buying cakes, muffins and scones for the children and staff to enjoy this afternoon when the whole school joined together for a 'royal afternoon tea'.

Our children thoroughly enjoyed their Jubilee activities such as the Queen's head collage, watching a cartoon about the Queen's hat and Corgi, Jubilee themed problem solving and bunting decorating for the Summer Fayre.

Musical instrument lessons - Music information evening Friday 17th June

A reminder re the exciting opportunity that is coming up for our children in years 2-6 from September. We are delighted to confirm we have several new and existing peripatetic teachers who will be available to provide music tuition at school. We want to offer our children a broad range of musical teaching whereby they can then join school bands/orchestra to accompany our choir and also perform in school assemblies and events.

We would like to invite you to a **music information evening on Friday 17th June, in the main hall, at Bourne Westfield Primary Academy, between 5-6.30pm**. This informal evening will bring together all of our peripatetic teachers for strings, woodwind and brass so that parents and children can meet them and try instruments. This is in preparation for the new academic year.

As part of this evening, there will be a short music performance by some of the Grammar school brass players so that children can see the progression route to their playing, and Mrs Beavis, Music Lead of Keystone Academy Trust, will also be present at the evening to talk about how lessons work in school and how they feed into our extra-curricular provision. Mrs Finch and Mrs Sewell will also be available to speak to if you so wish.

This evening is open to parents and children from both Bourne Westfield and Thurlby school. We look forward to welcoming you. In order to gauge levels of interest and ensure that there is enough room to accommodate everyone, we would be grateful if you could indicate if you would like to attend by emailing enquiries@thurlby.lincs.sch.uk
