Reception

Recently, in Reception, we have been learning about journeys and transport in our topic "Are We Nearly There Yet?".

We have read "The Bus is For Us" and had a look at photos of old and new buses and different kinds of buses. We have noticed that some were double deckers and some had open roofs. We looked at and played with model buses and painted buses. We role played bus journeys taking turns to be the driver, passengers and ticket collector.

In their independent play the children have been inspired to create construction sites and roadways, adding in signs and notices as well as developing lots of collaboration and problem solving. We also learned a new word "shimmering" and the children discovered shimmering powder to mix in their petal potions.

Keeping our Guinea Pigs Cool!

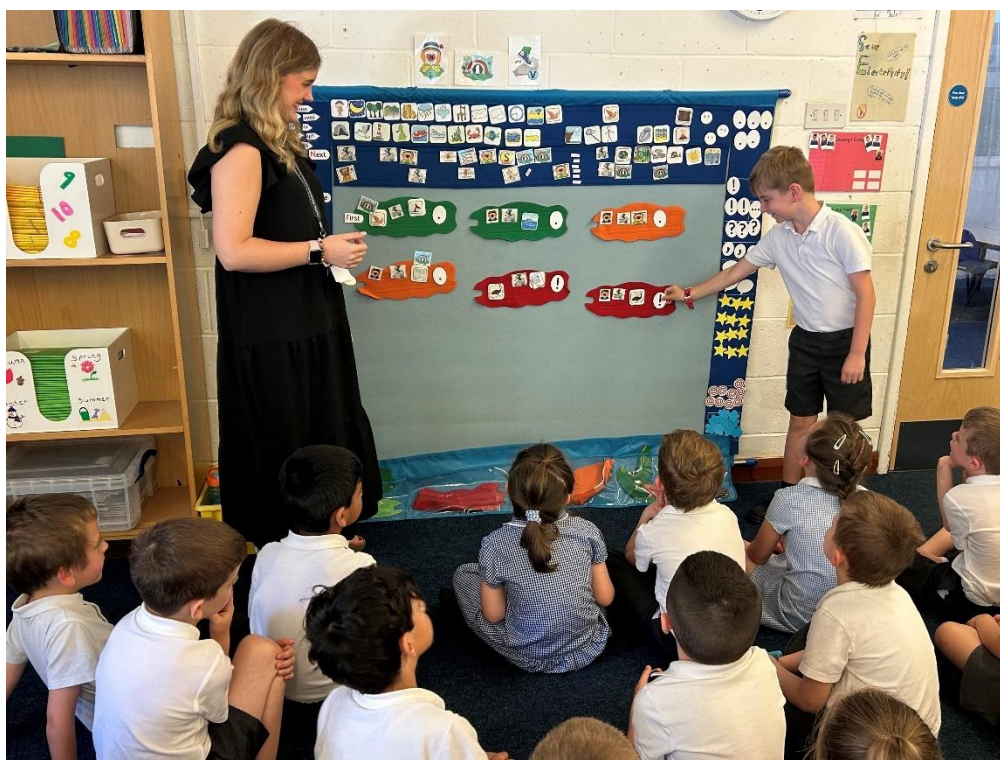

The children from Reception have been practising cutting up vegetables in class this week. As it was so warm on Wednesday, the children decided to make some ice lollies for the Guinea Pigs. The Guinea Pigs loved them.

Year 1

Writing

Year one absolutely love our mighty writer board! It has truly impacted the way the children learn and engage with writing. It is interactive, visual and fun, whilst also targeting the technical aspects of teaching writing in an engaging way. It can be used to aid fiction and non-fiction writing. The children get so excited to use mighty writer during our English lessons, it really promotes a love for writing in our classroom!

Science

In Science this term, year one are learning all about animals. Last week we focused on birds. We firstly discussed the different types of birds and the different parts of a bird. We then made our own bird feeders. The children covered a cardboard tube in lard. They then rolled this into bird seed. It was very messy, but they had lots of fun! They are hoping to spot lots of different birds eating from their bird feeders in their gardens!

Year 4

Year 4 have had a 'Respectful Communication' workshop today. This is part of the Lincolnshire 'Stay Safe Partnership' and focuses on teaching children the fundamental building blocks and characteristics of positive relationships, with particular reference to communication, friendships, family relationships, and relationships with other children and adults. The children enjoyed some fun hot seat activities and some thoughtful discussions were held.

Year 5

This week, year 5 have started a new maths topic, investigating measuring volume. They worked collaboratively in pairs to explore different volumes using cubes. What a fantastic hands-on lesson! Great work year 5.

PTFA

Thank you to everyone who came to the PTFA Summer Fayre on Saturday. There were loads of events to watch and games and stalls to enjoy. A massive well done to our Thurlby choir who made their debut performance ahead of their Singsation! event next week. You were all wonderful 😊

Thank you to staff and their families for helping and a massive thank you to our PTFA for all their hard work, not only on the day, but for all the extensive organising leading up to it. We are incredibly grateful to you all.

Just over £2300.00 was raised which is a fantastic amount! Thank you all for your continued support.

Thurlby Village Runs - Sunday 14th July 2024 at Lawrance Park

Come and join in the Thurlby village Fun Run - at just under 3km, it's a fabulous family activity with medals for all participants. If you're a seasoned runner, why not try the 10km road race around the local villages? If you don't fancy participating, then come and cheer on your friends and support a great community event! Refreshments are available for a small charge.

All funds raised from this event are split between Thurlby Academy PTFA and 1st Thurlby Scout Group so our school will benefit from any support given.

FUN RUN - 10:00 am start. £5pp entry, under 8s must be accompanied by an adult.

10K ROAD RACE - 11:00 am start. Online entry via the QR code. More details can be found here.
