School Games Day

As advised by Parentmail earlier today, we have our annual School Games Day on **Tuesday 1st April**. The whole school will be participating in numerous sporting activities and events around the school. The day will very much be about the enjoyment of sport and also helping the children to develop the Olympic and School Games values of honesty, determination, self-belief, passion, teamwork and respect.

Please make sure that your child comes to school in their PE kit on this day.

Please note, this event is in addition to our annual Sports Day. Parents are not invited to spectate on School Games Day but we will look forward to welcoming you to Sports Day in the summer as usual.

Year 3 visit to Peterborough Cathedral

Year 3 had a wonderful day at Peterborough Cathedral on Thursday. Children undertook a carousel of activities in groups, based on the Easter story, before coming together to make their 'Easter pizza'. This consolidated their learning from the morning. The children listened well and Cathedral staff commented on how impressed they were with the level of understanding from the class. A big thank you to all adults who supported us. Well done Year 3!

Please read the following information from Lawrance Park:

Users of Children's Playground and Park

Work to replace some dated equipment with new will commence at 8.00 am Monday 31st March. The playground is planned to remain open and the area being worked on will be fenced off. The items impacted will be the Naseby Tower and the orange climbing frame. As with all projects, things can change, if so we will update through social media. As yet, we are awaiting completion date from the contractors.

By necessity, there will also be some vehicle movement within the Park itself. The contractors are used to working in similar environments and have supplied risk assessments. As always, the Trustees ask you, as parents and guardians, to ensure all children are supervised when in the playground and in the park: please be particularly vigilant at this time.

Fantastic day out - we loved it!

We had the most wonderful day with our daughter and grandson. The display of tractors old and new was amazing and the fact that he could sit in a cab just made his day! A truly memorable experience.
