Rounders Tournament

Congratulations to some of our Year 6 children who took part in a Rounders transition event at Spalding Grammar School this week. The children were organised into teams with other children who will be attending the same secondary school as them to start building friendships. The children did incredibly well.

Wildlife Club

This week was the final session of our school Wildlife Club. The children created pledge sticks by firstly hunting and collecting natural objects which they wound onto their twigs with coloured wools. They then wrote their pledges which related to helping wildlife for the rest of 2024 - for instance, 'I pledge to hang bird feeders in my garden', 'I pledge to educate myself more so I can help nature' and 'I pledge to be kind to wildlife'.

We then ending the club by enjoying a celebratory orange juice and cupcake.

Year 5

This term, year 5 have been building up to devising their own musical theatre scenes, based on their learning in music. They have spent this week's lesson practising their songs, words and choreographing their dance moves. The children had to base their scenes on some kind of journey, which they have really taken in their stride, showing magnificent creativity. What a fantastic showcase of the music learning this term, well done year 5!

Year 6 - Gala Dinner

Our Year 6 parents were treated to a fabulous Gala dinner on Tuesday night, thanks to the wonderful 5-star service from their children and with help from Darren from Roots to Food.

The children worked tirelessly throughout the day: preparing and cooking the dishes, designing menus and place cards whilst also decorating the hall to set the scene for this amazing occasion.

Thank you so much to all our fantastic children and to the parents who supported this special event. Well done to Eden for playing her violin as we welcomed the parents into the hall.

A big thank you to Darren who makes this day possible by inspiring the children and teaching them all the skills necessary. Also, thank you to Mrs Sewell for buying all the ingredients the weekend before to make this possible.

Singsation!

42 of our children, from Year 2 to year 6, travelled to Lincoln, on Wednesday, to perform a David Bowie medley, alongside Bourne Westfield and other schools across the County, as part of the Lincolnshire Music Service 'Singsation! Day'. It was great to be a part of such a fun and inspiring collaboration. Hayley Sanderson (Strictly Come Dancing) gave us tips on singing and performance. We even had an impromptu sing a long, with Hayley inviting children on stage to sing with her and her band. Well done to Sasha in Year 3 for being so brave!

Thurlby felt very privileged to be asked to perform an extra song for this event. We had a wonderful time rehearsing for this performance and the children did us all proud on the day, performing to a very high standard.

A special thanks to Elouise, from Year 5, for teaching our children the British Sign Language to the song 'Sing' by Gary Barlow.

Thank you to Mrs Pengelly, Mr Terry and Mrs Gunner for accompanying us on the trip. It is much appreciated.
