## Welcome from Mrs Joyce, Acting Head of School

It's been a very hot and happy week here at school. We are all delighted to see the children back at school, looking smart in their new uniform and all eager to learn.

I would like to thank you as parents in supporting the new arrangements at the start and end of the school day. It has gone very smoothly, with the children all settled and engaged in their learning from the very start of the school day.

As a school, we have enjoyed coming together once again as a school community. We have enjoyed whole school assemblies, singing practice and eating together in the hall. The year 6 children have been fabulous in supporting the younger children settle into the new routines during lunch, making full use of the new playground resources bought just before the end the last term.

We look forward to working in partnership with you all to ensure that your children have the very best experiences at school over the forthcoming year.

## New Governors Needed!

We are looking to recruit new governors to add further strength to our local governing board.

If you are interested in supporting the development of our lovely school please get in contact for an informal conversation with Mrs Joyce, Acting Head of School. Please ring Mrs Pengelly on 01778 423311 in the first instance.

## School Photographs

The photographer will be in school on Thursday 30th September. Any parents who would like their pre-school child to be included in the family group should come to the hall between 8.30am and 9.00 am.

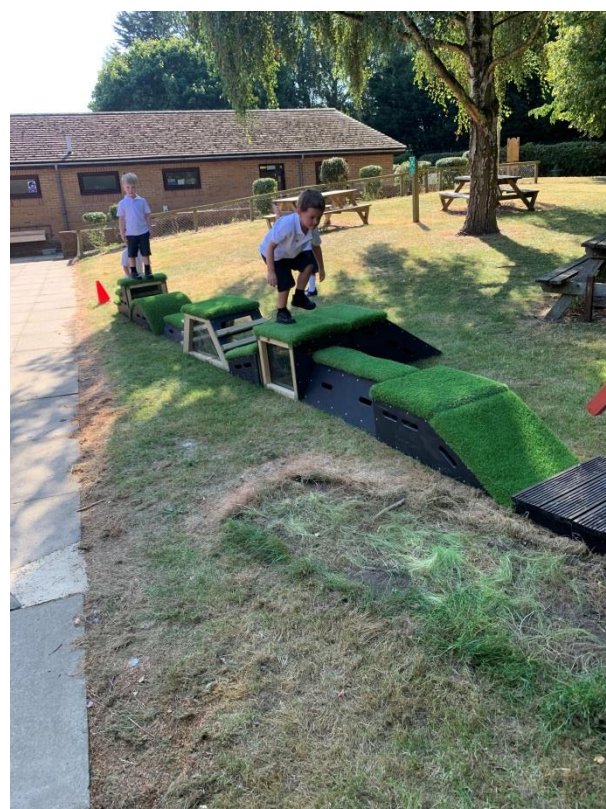

Photographs for the PTFA calendar will be taken in the afternoon of the same day. More information on the calendar theme will follow in due course.

**Year 3 parents - please note Forest School will NOT take place on photograph day, normal school uniform to be worn.**

**Reception and Year 1 parents - PE will take place on this day but we ask if children come in their school uniform and bring their trainers with them to change into for their PE session.**

## New EYFS Outdoor Equipment

Our new Reception children have thoroughly enjoyed playing with the latest additions to our outdoor area this week. The equipment is a great way to develop the children's fine and gross motor skills.

## Reception Children
