Mental Health Week

This week was National Children's Mental Health Week. We incorporated activities into whole school assemblies, key stage assemblies and lessons. The Guinea Pigs, with some help from Mrs O'Loughlin, made all the children a card to remind them how special they are:

Forest school - Year 4

Our Year 4 children have been very busy at Forest School in the last 2 weeks. Last week, the children followed a map around the site and had to look out for objects that did not belong in nature. They also had to create things that would benefit the wildlife and think of ideas to help our school be more eco-friendly.

This week, the children have been practising bearings using compasses; they found North, South, East, West, Northeast, Southeast, Southwest and Northwest. We created a giant compass on the floor and used sticks and logs for the points and labels. They had to create their own treasure trails for their friends to follow and some of the children were very creative in making their own treasure.

Fashion Club

The children have been working hard in Fashion Club creating mood boards for their designs, using material, magazines and coloured paper.

This week the children completed these by adding colour and fabric swatches. These are now being used to create their final designs which they will be completing next week.

Well done children, your creations are looking fabulous! 😊

Charles Worth - 200

As you are all aware, we ran a competition in recent weeks in celebration of the 200th birthday of local fashion designer Charles Worth, who lived at Wake House in Bourne. Children from all the local primary schools were asked to create a befitting logo for the event scheduled this year. Well done to all our children for entering this competition, we had a number of commended entries. We are also absolutely thrilled to announce that 2 of the 3 potential winning logos were created by children from Thurlby Primary Academy.

Huge congratulations to Holly, Year 1 (Logo 1) and Kaleb, Year 3 (Logo 2) on their logos below. The ultimate winner is in the hands of the public and voting is taking place on Facebook at the moment. You can cast your vote by clicking on the link below:

Congratulations, this week, go to Daphne, for being our champion on Times Tables Rock Stars. Well done on your award! 🌟

Big-Hearted Friday

Today is a very special day as it is Big-Hearted Friday. A special charity, called 'Little Hearts Matter', have made this an important day to spread the word about special hearts, including Congenital Heart Defect (CHD).

This charity is supported by our very own Lili, from Year 1, who gave a wonderful speech in assembly to spread awareness of this condition, the charity and how everyone can help.

Lili says 'Little Hearts Matter' are amazing and give lots of support and advice to families in need. If you would like to know more and have a look at what they do, please click the link below. You can also donate too, if you are able to do so:

We are incredibly proud of Lili, who was super brave to talk at the front of the hall this morning and is an inspiration to us all every day.

Our first session on Winter Crafts with Reception and KS1 was a huge success last week so we are looking forward to welcoming our KS2 parents and children.
