STEM week

All classes have been engaged in our Science, Technology, Engineering and Mathematics (STEM) topic regarding our new school animals. The younger children helped to measure and design hutches and runs for the guinea pigs, whilst the older children researched what guinea pigs would need to be healthy and safe. We have the exciting opportunity of also having tropical fish next year so some of our classes researched this as well. All classes gave their research to Year 6 who then created presentations that the school will listen to in assembly next week.

Year 6 Gala Dinner

Congratulations to our year 6 pupils who provided their parents with a wonderful Gala Dinner on Tuesday night. The children spent the day preparing and cooking delicious food: carrot and coriander soup, chicken in tomato and basil sauce and Eton mess. They spent the afternoon preparing the banquet hall for the grand event and then they worked hard through the evening in their various roles.

Thank you so much to Darren Tinkler, from Roots to Food, who put on this fabulous and unique experience for our children and their families. It was very much appreciated by all. Also, a huge thank you to all of the staff, especially Mrs Sewell, who helped to make sure that the Gala Dinner could take place.

Singsation!

On Wednesday, children from our school choir attended 'Singsation!' at the Theatre Royal in Lincoln. The event was presented by Hayley Sanderson, one of the lead vocalists from Strictly Come Dancing, and was hosted by Lincolnshire Music Service. Hayley and her band gave several performances and the children had

many singing opportunities, which included music from various genres including The Beatles, Latin and a Pop medley. Well done to all who took part.

Transition morning

On Thursday, all children had a visit to their new classrooms for September to meet their new teacher. The children were wonderfully behaved and displayed many of our Thurlby Values, especially being respectful. We are looking forward to our next transition morning on Monday 10th July.

Youth Mental Health First Aider

Through Mental Health England, Mrs O'Loughlin has completed her qualification as a Youth Mental Health First Aider. This is a great asset for our school and will complement Mrs Finch's qualification as an Adult Mental Health First Aider. Please contact us if we can support you in any way in this area.

Author of the Week

THOMAS TAYLOR

Winner of the 2021 Awesome Book Awards and Award winning illustrator

Did you know that Thomas Taylor created the very first front cover artwork for 'Harry Potter and the Philosopher's Stone'? Since then, he has gone on to write and illustrate several picture books and introduced us all to a new world called 'Eerie-on-Sea' which is where Herbie and Violet have had an incredible range of adventures. There are creatures like the malamander, evil villains, unlikely friendships, puppets, storms and, of course, lots of lost-and-foundering.

Thomas Taylor says:

If you like Jenny McLachlan or M.G.Leonard you'll love these books!

I love reading because a book is a golden ticket to anywhere, a personal introduction to anyone at all - from any time or realm - and the nearest thing to magic we have.

Flu Immunisations

Further to our recent parentmail don't forget to complete your online consent form even if you would prefer your child not to participate. At the very end where it says "I give consent for my child to receive XXX", there is a choice of Yes or No. If you choose no, the Health Team will then remove your child from their list. If the form is not completed, they will chase for a response, in case you want to give a yes consent but have forgotten to complete the form.

We have been allocated Friday 6th October for the vaccinations to take place in school.

Local events - Year 5/6

Bourne Academy have advised that due to the content in the performance, they would recommend this is suitable for Year 5 and over.

As well as being an entertaining evening for the family, this provides an opportunity for our Year 5/6 pupils to visit Bourne Academy with their family either before starting the school in September or before choosing which school they wish to apply for.

Our Year 6 children are very lucky to have the opportunity to watch this performance next week. We hope you all enjoy it!
