EYFS/KS1 Parents' Reading Coffee and Cake Session

We welcomed KS1 and EYFS parents into school on Wednesday morning to learn more about how they could support their child with reading at home. There was lots of great discussion and some tasty refreshments thanks to the PTFA! We would like to thank the adults who attended for the lovely feedback we received. We're looking forward to running similar events in the autumn term.

Year 2

Year 2 had a super start to Forest School. To link with their history learning about the Great Fire of London, they learnt about what fire needs to burn and discussed how to keep safe near fire. They took turns using flint and steel and Rowena was so impressed with how determined the children were- lots of them managed to create sparks. Rowena demonstrated how to build a campfire and then the children had the opportunity to toast and eat rather sticky marshmallows. Once the fire was extinguished and the burnt wood had cooled, the children used the charcoal to draw nature inspired pictures and patterns on the paving slabs.

Year 5

Year 5 enjoyed their trip to the Gurdwara in Peterborough this week. The children listened carefully and respected the Sikh faith. They were a real credit to our school, demonstrating many of our Thurlby values.

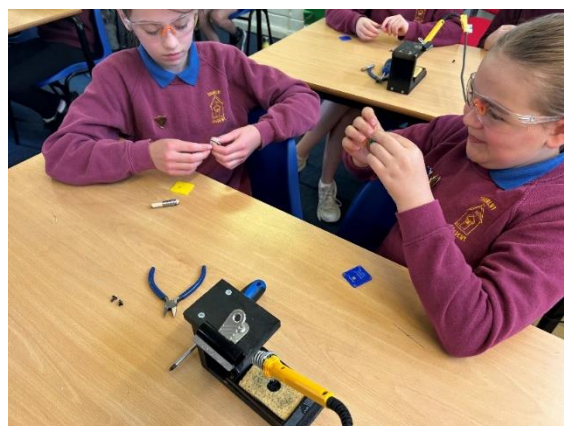

The children asked lots of thought-provoking questions and had the opportunity to see many elements of their Sikh learning in real life. Well done year 5!

Year 6

Our Y6 class were lucky to receive a visit from the Design Technology department from Bourne Grammar School. The children used their IT skills to design how their item would look then constructed their components with a soldering iron to make their working torches. It gave the children a wonderful glimpse at secondary school learning!

Thank you to Bourne Grammar School for, once again, providing this wonderful opportunity for our children!

Plea for Outdoor Items

To further develop our wonderful outdoor area, we are hoping to create a calming Sensory Garden for children to use when a time of calm or regulation is needed. We would really appreciate your support in developing this space. If you have any of the below materials/resources available, and are willing to donate them, please could you deliver to the main school office.

- Wind chimes/wind tubes
- Mirrors (plastic - suitable for outdoor use)
- Hanging planters
- Wind spinners
- Sun catchers
- Artificial grass (any size)
- Artificial vines/leaves/flowers
- Stepping stones/log slices
- A wooden ladder
- A waterproof cover e.g. tarpaulin

Your support on this is very much appreciated.

We have lots of trips/events coming up - contribution reminders below:
