## Year 1

In year one in D.T. this term we have been learning how to make a healthy savoury sandwich. This week we made our own sandwich packaging and created our very own savoury sandwich. The children took them home to eat and said they were delicious!

## Year 6

This week, our Year 6 class started their sculpture project inspired by Alberto Giacometti. The sculptures are a transition project for the children to work on before they go to secondary school. Using wire, tinfoil and PVA glue, the children will create a human form based upon cubism. Watch this space for the final sculptures!

### Safer Internet Day

All of our classes have been thinking about Safer Internet Day this week. Our Junior Online Safety Officers delivered an assembly to KS2 whilst also providing a quiz for each class to participate in. Some classes also engaged with the BBC Teach website to help them to learn about safe practice online. Follow the link for more information
